All music and art education students must possess a current and accurate IVP Fingerprint Clearance Card issued by the Arizona Department of Public Safety (DPS). If you lost your current card or need to change information, please visit: https://www.azdps.gov/services/public/fingerprint and follow the directions (fill out a form and send in $5 for the replacement card).

If you do not have your IVP Fingerprint Clearance Card, here is the information you need to obtain one:

All fingerprinting costs about the same no matter where you go for fingerprinting: $67 (money order or cashier's check) for the actual AZ Department of Public Safety (DPS) fee and usually ~$10 (cash) for the person/business doing the fingerprinting.

The easiest option for UA students is Fieldprint Services. University Postal, located at 1718 E. Speedway Blvd, is a Fieldprint site contracted with the AZ DPS. The cost is $74.95 (which INCLUDES the $67 fee that goes to the DPS). One makes an appointment online, pays via credit card, and goes in for the fingerprinting. Here are helpful directions via screenshots at the following link, should you need help answering the questions: https://www.coe.arizona.edu/sites/coe/files/Fieldprint%20Arizona%20instructions.pdf. You will select the card for: “IVP Paid Employee.”

There are other places that do fingerprinting, too, but you will need to obtain the application and a blank card directly from the AZ DPS. Since you will be working in a school, you’ll need an IVP Fingerprint Clearance Card. Here's more info on that from AZ DPS website (taken from: http://www.azdps.gov/services/fingerprint/): "You may request a packet directly from DPS by either calling (602) 223-2279 or faxing your request to (602) 223-2947. Office hours are Monday through Friday from 8:00 a.m. to 5:00 p.m. If you will be working in the education field (public or charter) and you are required to obtain a Fingerprint Clearance Card or if you will be doing student teaching or tutoring you will need to obtain an “Identity Verified Print” (IVP) Fingerprint Clearance Card, not the regular Fingerprint Clearance Card. When requesting an application packet please make sure you specify that you need the “IVP” application packet. Please ensure you affix sufficient postage to the envelope and place your return address in the top left corner of the envelope." Besides the College of Education, here are the other places in Tucson for fingerprinting once you obtain the card and application directly from the AZ DPS (each location, has specific days and times listed): http://uapd.arizona.edu/services-resources/fingerprints. You will usually need to bring:

- A state or federal issued photo ID (not your CATCARD), with your address and signature displayed
- $10.00 cash, personal check, cashier's check or money order for fingerprints.
- A $67 Cashier's Check or Money Order made payable to Arizona Department of Public Safety. No cash or personal checks will be accepted for this portion of the payment.

The whole process takes approximately 6-8 weeks from sending in prints to card-in-hand. Most schools will not let anyone formally observe/teach until the actual card arrives, but sometimes a copy of the application for fingerprint clearance will suffice if there was a previous fingerprint clearance card that just expired.
Welcome to fieldprintarizona.com!

Please review the following step-by-step instructions to get your IVP fingerprint clearance card for certification and admission to your professional program at the University of Arizona College of Education!

1. Create a username and login. If you then leave the site and come back to it later, you will need to restart and select “Schedule an Appointment” on the right.

2. The reason is **IVP – Paid Employee**. This is because you will want to use this card to become a paid employee after completing your program! This way, the card will last you for the full 6 years and will get you into the program, through your fieldwork, through certification, and into your first job.
3. The Sponsor is DOE Certification (Teacher or Other). Again, this is because your end goal is to become certified!

**IMPORTANT:** Please include your Social Security Number if possible. This expedites certification processing!
5. Now you must fill out all of your demographics. This is for identity purposes.

6. You do not currently have an Employer, so **leave this whole page blank**. It will allow you to click Save and Continue to proceed.
7. You must click “I agree,” type your name (which serves as your signature) and enter today’s date. Make sure your full name matches the name you entered in step 4!

8. Again, read through the information, click “I agree,” type your name and enter today’s date.
9. Then, you must schedule your appointment. For location, if you want the closest to the University of Arizona campus, you can use the College of Education address to find University Postal on Speedway.

10. Schedule your appointment at the location, day, and time most convenient to you. Please be sure you are available the day and time you select, as there is an appointment cancellation fee.
11. The website will then walk you through the payment process. If you indicated in step 4 that you would like phone or email reminders, you should receive those in advance of your scheduled day and time.
12. Once you get to the final screen, you will receive an email confirmation. **PLEASE PRINT OR DOWNLOAD YOUR RECEIPT!** If you are asked to provide a receipt to prove you have applied as part of your College of Education application, please forward this to your Academic Advisor.
13. You will receive an email confirmation after you attend your fingerprinting appointment. **SAVE THIS EMAIL!**
It contains your IVP number, which you can use to check your card status at the website they provide
(highlighted in sample email below).
